

ALEJANDRO SILVA

POWER CUARTETO

CHILE'S INSTRUMENTAL METAL LEGACY

THE REGION'S FOUNDATIONAL INSTRUMENTAL METAL ACT

ASPC, led by virtuous guitarist Alejandro Silva, has defined the instrumental metal scene in Latin America for over 25 years. World-class credibility is validated by shared stages with legends like **Yngwie Malmsteen**, **Kiko Loureiro**, and **Marty Friedman** (formerly Megadeth), solidifying its reputation for technical mastery.

EXPORT-READY OPERATION

The instrumental format offers **frictionless global export value** for festivals and licensing. ASPC demonstrates robust logistical mastery, completing a demanding **4,000 km self-managed tour** (V release) carrying full backline.
